"Be bold! Be brave! Let you be you... and let's help others, too!" That's Ada's motto. Ada is a dancing, deaf fox with cochlear implants who loves to help others. On her way to dance in a talent show one day, she meets three other creatures who are each facing a physical challenge or disability of their own. She decides to help each of her new friends to see past their challenges and discover their natural, God-given strengths. But can they help her in return? Ada's a bit nervous about the talent show!
